2.3	Other hazards	

Possible hazards from physicochemical properties

According to our current status of knowledge and experience we state, that this product does not contain any substances, which in accordance with EC regulations 1272/2008/EC, 1907/2006/EC and German Regulations for Hazardous goods - have to be declared as dangerous goods, either because of their applied concentration or because of their total amount in anyone kit. An individual package has considerably less hazardous potential. -

SECTION 4: First aid measures

4.1 Description of first aid measures

Place insured person out of danger zone to fresh air immediately.

4.1.1 After SKIN Contact Remove dust with wetted tissue. Not necessary. 4.1.2 After EYE Contact Rub dust with teardrops from eyes Not necessary. 4.1.3 After INHALATION of vapours Not necessary. After inhalation of dust fresh air should be inhaled. ---4.1.4 After ORAL Intake Not necessary. ---

4.2 Most important symptoms and effects, both acute and delayed

4.3 Indication of any immediate medical attention and special treatment needed No additionally recommendations. ---
